Bills named customer service manager

R.B Humphreys, Inc.is proud to announce the addition of Michael Bills to its growing, temperature-controlled transportation company. Bills brings nearly 42 years of industry experience that includes positions at Logistics One, WalMart and Anheuser-Busch, and most recently employed as the Fleet Operations Leader for Swift Transportation.

Bills, of Waterford, will be leading the newly-constructed customer service department.

"I am excited to start a new phase of my career at R.B. Humphreys Inc. and look forward to providing additional value to the already solid client service department," said Bills.

Marvin VanSlyke, General Manager of the 75-truck fleet said, "Michael's experience and knowledge in our industry has already made him a key addition to the team. Any company would be fortunate to have him in the trenches fighting for them."
